## 16<sup>TH</sup> ANNUAL SUMMER HOPE BENEFIT

We're proud to have been on the front lines of this battle for the past sixteen years, so we've decided to give ourselves the best Sweet 16 gift imaginable: A record-setting year in our fight against cancer.

Thanks to our generous, altruistic and supportive donors – our extended Summer Hope Family – we've been able to send hundreds of Hope Packages, provide scholarships, support families facing a cancer diagnosis, help fund exciting programs and donate hundreds of thousands of dollars to cancer research facilities over the past sixteen years. We plan on continuing that work for years to come. However, for our big sixteenth year, we've decided to take a look at our past to move ourselves into the future.

With that, we're beyond excited to announce that our annual Balloon Auction will support two local charitable endeavors that speak to our mission: The Kathy Stewart Memorial Scholarship Fund and The Michael Magro Foundation. Both of these funds do incredible work to fight cancer, honor loved ones and, much like Summer Hope, began in Hicksville, NY.

Our goal? **Well, it's our biggest yet: \$30,000 raised in just a few minutes by a room full of generous donors.** \$15,000 to match the inaugural Kathy Stewart Memorial Scholarship and another \$15,000 to Michael Magro Foundation's SOAR Program, which supports and demystifies the re-entry of pediatric cancer patients to school.

Can't make it? You can pre-purchase your balloon for the auction on our response card. But we really hope you will be there with us on November 2nd, as we make our Sweet 16 wish come true.

See you at the Benefit,

Edward B. Mouradian, Jr.  
Founder & President,  
The Summer Hope Foundation

## OUR MISSION

The Summer Hope Foundation is an award-winning, federally recognized, non-profit organization, dedicated to supporting the fight against cancer. We are 100% volunteer-operated by an extended network of friends and family who have been touched by cancer. Your donations help The Summer Hope Foundation to continue supporting cancer research facilities, like the American Cancer Society, Memorial Sloan-Kettering Cancer Center and Cold Spring Harbor Laboratory, that are working hard to beat cancer. The Summer Hope Foundation is also able to help those directly affected by cancer and their loved ones with programs such as the Hope Package, a care package that is sent to cancer patients across the country, as well as the Annie Alahverdian Fund for Mothers with Cancer and the Steven Alvarez Fund for Children with Cancer.
